We have over 80+ Partner Colleges across the United States that are committed to serving undocumented students and will offer you the support services you need to help you successfully navigate your college life. Each of our Partner Colleges designates a Scholar Advisor to work with you and your fellow Scholars – individually and as a group. You will not be alone!

Click here to check the [Partner College List](#) on our website to see if there is a Partner College that is right for you! *Note:* We do not offer our scholarship to California and Washington undocumented students because you have access to generous state and institutional aid. If you are a Tennessee student, please apply with our partner [Equal Chance for Education](#) and their Scholarship for Dreamers.

You must be admitted to and eligible for in-state tuition at one of our public Partner Colleges or admitted to one of our private Partner Colleges in your state to receive our National Scholarship.

We know that many undocumented students have significant home responsibilities so please do not overlook this section.
